5 A visit to a city

A tourist map of a city

1. Draw a map of a city (where you live or somewhere you have visited).
2. Write the names of the buildings and streets.
3. Cut the signs at the bottom of this page and stick them on your map to show where the different places are.
4. Write a few sentences about the main attractions in your city.

Carlton Museum is one of the main tourist attractions in my city. Lots of people come here to see the beautiful paintings.
